Our Capabilities

Subhashish Paper Products Pvt. Ltd. is a paper packaging manufacturer focused on quality, consistency and dependable service. From printed paperboard to finished packaging, we combine modern offset printing with skilled converting and finishing.

Offset Printing

Advanced Offset printing for exceptional colour accuracy, sharp detail, and consistent premium-quality packaging.

Screen Printing

Screen printing for vibrant, durable graphics and precise detailing across specialized printing applications.

Sheet-Fed Flexo

Flexo printing for high-speed, precise printing on Corrugated with consistent quality and sharp results.

Corrugation Plant

In-House corrugation across N, E & F Flutes for versatile, durable, and precision-engineered solutions.

Thermal / Cold Lamination

Thermal & Cold Lamination for enhanced protection, durability, and a premium finish across diverse packaging applications.

Digital / Hot Foiling

Striking embellishments, premium finishes, and enhanced shelf appeal.

Robotic Stripping / Blanking

Robotic Stripping & Blanking for faster, cleaner, and highly consistent finishing with precision automation.

In-House Ink Kitchen / CTP

In-House Ink Kitchen & CTP for consistent colour control, precision, and streamlined prepress production.

Epson Proofer / Sample Maker

Advanced Sample Making & Epson Proofing for precise, production-ready prototypes and colour accuracy.

ERP System

Powered by ERP-driven systems for greater control, real-time visibility, and streamlined operations across our factory.
